

Accelerated Reading Tests

Accelerated Reader is a product of Renaissance Learning, Inc. This software is designed to help students practice their reading comprehension skills. The student receives immediate feedback on how well they have done, as well as setting goals for their personal reading growth. Pleasant View School has access to 1,885 reading tests.

AR Levels:

Independent Reader: Student must read and independently pass quizzes on 3 books with a 1.2 or higher reading level, and accumulate 10 points.

Super Reader: Student must read and independently pass quizzes on 3 books worth at least 1 point each, and accumulate 5 points.

Advanced Reader: Student must read and independently pass quizzes on 3 books worth at least 2 points each.

Star Reader: Student must read and independently pass quizzes on 3 books with a 5.0 or higher reading level, and worth 5 or more points each.

Classic Reader: Student must read and independently pass quizzes on 3 books with a 7.0 or higher reading level, and worth 10 or more points each.

Passing score: 80% or higher.
